Sir,

Sub: Livestock - Livestock Improvement - District Board Scheme - extension to South Kanara district Proposals.

The District Board South Kanara in its resolution No.78 dated 22-7-52 resolved to adopt the District Board Scheme in South Kanara district by purchasing and maintaining three breeding bulls. A sum of Rs.3000/- is also reported to have been provided in the Budget of the District Board for 1952-53. The District Board is willing to distribute the three bulls in Rural Welfare areas. The requirements of the bulls in the district is not however commensurate with the availability of bulls. When the local bodies are coming forward with finances for the Livestock Improvement in the State it is expedient that they should be encouraged with subsidy. I therefore recommend that a subsidy not exceeding 2/5th of the cost of three sindhi bulls subject to a maximum of Rs.1200/- (Rupees One Thousand two hundred only) may be granted to the District Board South Kanara. I request the favour of early orders of Government.

Yours faithfully,

for Director of Animal Husbandry, Madras.

Subject: Livestock - Breeding bulls - purchase by S.K. Dt.Board under the Dt.board scheme for the maintenance of Breeding Bulls - proposals dropped.

Reference: G.O.Ms.No.2107(Dvl)dated 6-5-53

...

I regret to inform the Government that the Dt.Board will not be in a position to carry out the Dt.Board scheme for the maintenance of breeding bulls as the Revised Estimate for 1953-54 closes with a deficit of Rs.41,900/- inspite of retrenching expenditure. It has not been found possible to effect further savings to meet this new item of expenditure. I have, therefore, dropped the proposal of purchasing of the three breeding bulls. The proposal will be considered when financial position of the Board improves.
